BEST STUDENT PAPER AWARD

Student authors of papers accepted and presented at **GeoNiagara 2021** may apply for consideration for the **CGS Best Student Geotechnical Paper**. The award will consist of a plaque presented at Wednesday's Luncheon. Papers must meet the Selection Criteria to be considered for evaluation.

SELECTION CRITERIA

- The lead author must be enrolled in full-time studies as an undergraduate or graduate student at a Canadian university at the time of submission of the paper.
- The paper must be presented by the lead author at the conference in an oral or poster session (if the lead author is not available, a secondary author may present, but must meet the full-time student selection criteria).

SUBMISSION PROCESS

If your paper meets the selection criteria and you wish to be considered for the **GeoNiagara 2021 CGS Best Student Geotechnical Paper**, please select "Yes" in the Best Student Paper Award Application field during the paper uploading process.

The **CGS Best Student Geotechnical Paper** selection decision will be made by the **GeoNiagara 2021** Technical Committee and will be final when announced at the conference.
