Niagara Parks' newest landmark attraction, the Niagara Parks Power Station, will officially open its doors on July 30<sup>th</sup> offering daytime guided and self-guided tours daily through August 15<sup>th</sup>. The station will then be open Fridays, Saturdays and Sundays through the remainder of August for the daytime experience. The immersive sight and sound night show "Currents: Niagara's Power Transformed" will open on September 3<sup>rd</sup> with the attraction planned to operate daily from that date forward.

## Visitor Safety and Ticket Availability

To ensure appropriate physical distancing, Niagara Parks has significantly reduced visitor capacities across all of its sites and attractions in accordance with the Roadmap to Reopen framework. In order to best service guests and effectively manage capacities, time-ticketed attraction tickets are currently available for on-site, à la carte purchase only.

Niagara Parks continues to make the safety of its guests and staff the first consideration in all operational decisions. As a recipient of the Safe Travels Stamp from the World Travel & Tourism Council, Niagara Parks is committed to providing the safest environment possible for all visitors. ## About Niagara Parks

Since its establishment in 1885, Niagara Parks has remained a self-financed agency of the Ontario Ministry of Heritage, Sport, Tourism and Culture Industries, entrusted to preserve and protect the land surrounding Niagara Falls and the Niagara River. Today, Niagara Parks boasts gardens, a horticulture school, recreation, golf courses, restaurants, heritage and historic sites, gift shops and, of course, Niagara Falls. In short, natural landscapes, history, family fun, hiking, culinary delights, attractions and adventure.
